Hands of Hope Tucson is proud to have served the Tucson community for the past 45 years. We have met countless women and men facing unexpected pregnancy with love, care, and compassion throughout our history. All services from Hands of Hope Tucson are provided at no cost to our clients because of our donor partners who are deeply committed to supporting the work we do.

Our Business and Church sponsors are indispensable in allowing more people to attend the Gala and assists in covering all expenses so 100% of monies raised can go straight to meeting our client's needs.

We are proud to extend this opportunity to you, to participate in this event through becoming a business sponsor or church sponsor* at the level you desire. Your generosity will contribute to the vulnerable in our community being met and served with the dignity, medical professionalism, and support they deserve.
